Test Case

Description

This test will verify that the See All Bots button is working as intended

Steps:
1. Navigate to http://localhost:3000/
2. Click on the "See All Bots" button

Test Postconditions:
● All bot cards should be shown on the screen

Bug Report

Description

The "See All Bots" button is not showing any bots

Steps to Reproduce:
1. Navigate to http://localhost:3000/
2. Click on the "See All Bots" button

Expected result:
● All bots should be shown on the screen

Actual result:
● No bot cards are shown on the screen
● Failed to load resource: the server responded with a status of 400 (Bad Request)

Environment:
● Chrome version 96.0.4664.45
● Windows 10 Home version 20H2

Bug Report

Description

Wins are counted as losses

Steps to Reproduce:
1. Navigate to http://localhost:3000/
2. Click on the "Draw" button

3. Choose two bots by clicking on "Add to Duo" on their respective card
4. Click on "DUEL!" button
5. If you lose, click on "Play again" button and repeat steps 2 - 4 until a win condition is met

Expected result:
● The number of wins increments by 1

Actual result:
● The number of losses increments by 1

Environment:
● Chrome version 96.0.4664.45
● Windows 10 Home version 20H2
